**1.5 to 2 hours, Inside to Build, Flexible Battle Venues**

- **Teams Build a Robot Together and then Battle!**
- Bigger and Faster Robots
- 2 People Operate Robot at the same time  
(1 Person Drives and 1 Person Battles and Defends)
- 10 person teams/7 distinct parts to build
- All 7 parts must come together to complete the robot!
- Chance at the World Record Build Time

#### Robot Battles 2 Overview

Teams build a robot by simultaneously building 7 distinct parts of the robot. Some parts are more complex and require more people. Once completed, the teams must solve the challenge of assembling all the parts together into a functioning battle robot! Now they are experts and will be able to repair their robot to keep it battling as long as possible, and they will be able to modify the robot to gain advantage over the other bots!

- Smashing metal robots and popping balloons
- 100% engagement from everyone
- Everyone gets to battle in pairs with someone else
- Cheering, yelling, thrilling excitement!
