Virtual Teams – Who Stole Anti-Matter?

Wherever you are located, and whatever type of device you are using, your whole team can come together to save the planet and figure out “Who Stole Anti-Matter?”

- Groups from 6 to 600 people
- Live moderator & team building host for every event
- Every person becomes an expert and then the team collaborates. Solve the crime and save the planet!

Why use proprietary game software when you can use the same tools you use to function as a virtual team?

Practice new skills in a fun format while learning how to be a better virtual team.

The event is great at about 2 hours. Times can be modified to fit your schedule. Easy to access, fun to play, rewarding for participants!
