Corporate Escape Room  
It's About the People

Recruiting the World's  
Best Teams

## Are you looking for an Escape Room experience tailored to corporate teams?

TeamWorx has created a solution for you.

There are many free and low-cost escape rooms that focus on technology;  
**we focus on human beings and the interaction between them.**

- Up to 6 staff per event
- Low-tech for a more human experience
- High level thinking required
- Compete against other corporate teams for the World Record
- Experts and experienced in MS-Teams, WebEx Teams, Google Meet, Zoom, and Slack

A professional sets-up the game in advance on the video conference solution you are using. The event is seamless, and the focus is on the interactions between individuals.

## The Escape Room Experience

**The Fight to Save the Planet – a well-funded worldwide organization – is looking for the world's most talented business teams to recruit** at extraordinarily exorbitant sums of money, and with the benefit of worldwide prestige, to work on key lifesaving and planet-saving projects. If you think highly of your team – give it shot against the best in the world and see if you can get hired!

- Up to 200 people can participate at the same time – divided into teams of 4-10 people each.
- Each room has 5 teamwork challenges mined from 20 years delivering teamwork training
- Solve all of the challenges to get the final code
- The fastest team wins – maximum 45 minutes.

The best results are documented on our blog and the current world record kept as a part of the on-going history of excellence.
