

# Holiday Themed Escape Room Experience

Celebrating the Holidays, the TeamWorx *Holiday Escape Room* includes a variety of Holiday themes interwoven into fun collaborative team puzzles. Most teams will “get out” as cheer and good times are emphasized, and ... the fastest team is still the winning team!

The *Holiday Escape Room* includes **5 team challenges each expressing Holiday cheer from around the globe**. Teams can do the challenges in any order, and they can compete against other groups for the fastest time by the end of 2020.

**TeamWorx will donate \$220 to a charity of their choice for the team with the fastest time for the *Holiday Escape Room*!**

Each team challenge includes wonderful imagery from global Holiday Celebrations. The activities are engaging and fun and include:

- Holiday Picture Puzzle - Collaborate to rebuild a Holiday painting
- Holiday *Connectables* - Interactive puzzle using global Holiday images
- Holiday Maze - Easy... and easy to mess up once.
- Holiday Cards - Reassemble a tricky collage of Holiday cards from around the globe.
- *Rumi's Lost Present* - Strategy and insight required to help her out.

The maximum time in the room is 45 minutes. Total event time is 1 hour.

Experts and experienced in MS-Teams, WebEx Meetings/Teams, Google Meet, and Zoom, a professional sets-up the game in advance on the video conference solution you are using. The event is seamless, and the focus is on the interactions between individuals.
