

DREAM BUILDERS

is an exciting corporate "dream" building event that gives back to kids in a meaningful and real way.

BUILD BICYCLES AND GIVE THEM AWAY TO CHILDREN

Dream Builders is a charity bicycle building event for corporate and business groups. Multiple teams compete to be better at a variety of team challenges, **and** they build a new bicycle to **give away to children who attend the event** from a local charity.

We find the perfect charity match for your group, or work with our national network of local foster children charities.

Energize your group with a teamwork focused event that gets people up and moving around, talking, interacting, and improving teamwork all to be the winning team!

20 unique teamwork focused activities challenge each team to complete as many as possible. They can choose any or all of the activities and will be doing many simultaneously to insure everyone is engaged!

Dream Builders is the perfect event to provide a "hands-on" charity experience for your group, and a meaningful and much needed gift!

CHOOSE YOUR TEAM SIZE (1 Bicycle per Team)
Teams of 20
Teams of 10
Teams of 5

TURN KEY INCLUDES

Everything except the Venue!

"Our colleagues here are still raving about the TeamWorx Dream Builders event and saying it was the BEST team building event we have ever had here at Cognizant. Our team thoroughly enjoyed it and found it to be extremely rewarding....truly an experience to be remembered! We look forward to working with you again next year!!!"
