**NOT FOR REPRODUCTION**

Match the DNA pattern from the **DNA Samples below** to one of the **Suspects below**.

- ⇒ DNA bars will match exactly for a positive match.
- ⇒ DNA can place suspects with items or at locations.
- ⇒ There are three DNA Evidence Cards in this document.

Make sure you are **100% certain**, and then

- **Record** results on your team message board under the thread “DNA Results”
- **Report** results to your Lead Investigator.
