

TeamWorx Robot Build and Battle STEM Experience

STEM Experience at Your School

A Robot Build & Battle STEM Experience at Your School:

- **Ignites** future careers.
- **Teaches** teamwork,
- Offers **hands-on** robot building,
- **AND students love it!**

It does not require any previous robot experience or knowledge.

The Robot Build and Battle High School STEM experience is open to juniors and seniors who are interested in pursuing careers in STEM.

- It is a 2 hour experience: about 1 hour to build and 1 hour to battle
- It can be for students only, and/or add mentors or local STEM professionals.
- We can deliver the event at your school, or we can come to a field trip offsite location
- [Contact us](#) to learn more about bringing a STEM experience to your school!

[Robot Build and Battle 1](#) is the original Robot Team Building event delivered to hundreds of the World's largest companies.

Read our [Blog](#) for hundreds of stories about actual events.
