THE BALLROOM BLOCK PARTY
INDOOR TEAM BUILDING ADVENTURE

The Ballroom Block Party combines the creativity and popularity of public murals with an engaging and novel series of team puzzles.

At the core of the event are *Mural Blocks* - a set of 20 unique blocks with pictures from different murals on each of their 6 sides.

Each team is given a unique set of *Mural Blocks* with a unique combination of six murals. Teams identify which 6 murals they have by finding the correct matching picture at their table, or placed around the ballroom/hotel.

Teams rotate and move the blocks around to make the correct image! The first team to solve all 6 puzzles wins, or competes in a finale with the other top teams!

Each team of 4-8 people receives one set of *Mural Blocks*

Flexible Events from 1/2 to 2 hours

***Murals Blocks* can be customized to your location**
