

PHYSICAL EVIDENCE EXPERT

Each piece of physical evidence below has 1 or more evidence samples.

- **Match** each evidence sample with a suspect.
Some items will have more than one type of evidence, and match more than one suspect.
- **Collaborate** with other experts on your team:
LAB Expert (Blood, Hair, Footprint, Tire Tread), DNA, Fingerprint, and Ink Experts.
Ask them for the results you need.
- **Record the results** for each piece of Physical Evidence below.
Use “E” for Ethan, “R” for Rolph, “V” for Vivian, and “D” for Dominique.
- **Organize Evidence:** Use the attached “Evidence Organization Chart” to organize each evidence sample by the suspect it matches.
Include where it was found, and any important information.
