HOW THE EVENT RUNS

TEAMS OF 6-12 · 1-3 HOURS · ON THE BEACH

Teams pack, shape and carve one giant castle or sculpture while a TeamWorx coach teaches the professional techniques: compacting sand so it holds an edge, carving from the top down, adding windows, stairs and brickwork that survive the afternoon.

Waterproof directions stay readable in wet hands.

BEST FOR

Any group near sand and water.

WE MAKE IT EASY

PERMITS · TOOLS · COACHES · SCORING

We guide you through the beach permitting process and arrive early with every tool, form, bucket and water supply the group needs.

Coaches circulate so every team finishes something they are proud of, and a scoring matrix lets anyone judge the results fairly.

IF THE WEATHER TURNS

We carry a back-up: our indoor Teamwork Energizer. You get an event either way.

01 LEARN

A hands-on demo on the sand covers compacting, forming and carving before teams start.

02 BUILD

Teams split into builders, sculptures and carvers and raise a sculpture bigger than they expected.

03 JUDGE

Everyone walks the beach, scores every sculpture, and a winning team is crowned.
